Zemlja vina

U starim crnogorskim selima, ušuškanim u priobalju Skadarskog jezera i po padinama visokih kraških planina, sa posebnom ljubavlju prenosila se sa generacije na generaciju tradicija uzgoja dvije autohtone sorte vinove loze: Vranca i Kratošije.

.Ne zaboravite osjetiti ugođaj topline autentičnih kamenih kuća, život na vinogradarskim poljima, smještenim uz brojne označene puteve za planinare i bicikliste.

Upoznajte Crnu Goru, "Zemlju vina" – vinogradari Vas očekuju podignute čaše i srdačno Vam nazdravljaju!

The Land of Wine

In the old villages located on the shores of Lake Skadar and on the slopes of high karst mountains, the tradition of growing two autochtonic varieties of grape, Vranac and Kratosija, have been passed down from generation to generation.

You will enjoy a warm welcome at authentic stone houses with wine cellars and witness the charm of life on the wine fields, many of which are clearly signposted for hikers and cyclists. Get to know Montenegro, "The Land of Wine" - the wine growers are expecting you with raised glasses and a hearty toast!

Land des Weines

In den alten montenegrinischen Dörfern der malerischen Uferregionen des Skutarisees und des Karstgebirges der Region Cetinje werden auf liebevolle Weise die authochtonen Weinsorten Vranac und Kratosija angebaut.
Genießen Sie die Atmosphäre der traditionellen Steinhäuser mit ihren alten und liebevoll dekorierten Weinkellern, die sich in der Nähe von zahlreichen beschilderten Wander- und Fahrradwegen befinden. Erfhafren und entdecken Sie das Weinland – Montenegro – die Weinbauer erwarten Sie, um mit Ihnen anzustoßen!
