

Dear Sir/Madam,

All information as well as instructions regarding application for obtaining a permit for importing drones into Montenegro are available on-line <http://www.mek.gov.me/biblioteka/obrasci>.

The deadline for resolving the request is up to 30 days from the date of submission of the request to the Ministry of Economy.

- The request must be precisely filled, such as: the tariff number of the goods etc.
- Additionally to the application you should provide all the necessary documentation, including proof of payment of the state tax.
- The statement must be certified by NOTAR!
- The document must be submitted in two copies to the archives of the Ministry!
- The application must be submitted personally or through Authorized person in the Montenegrin language (the person who can submit a request and later take over the license may be either authorized or personally get it with the relevant document.)

It's up to you to find the best and the easiest way to deliver documents, in accordance with our instructions the you've already received.

We look forward to your arrival.

Therefore, there is no possibility of receiving permission or send a request via email.

You can send a complete request, duly filled in, by regular post office to the Ministry's address.
